LUIS RODRIGUEZ,  
A/K/A "One Eyed Luis" )

Criminal No. 04-10047 RCL

U.S. DISTRICT COURT  
DISTRICT OF MASS.

**RODRIGUEZ MOTION FOR AN EXPEDITED SENTENCING  
OR, IN THE ALTERNATIVE, FOR TEMPORARY  
RELOCATION OUT OF PCCF AND  
INTO A SAFER ENVIRONMENT**

The defendant, Luis Rodriguez ("Rodriguez"), requests that this Court hold a sentencing hearing prior to the scheduled hearing on June 21, 2006, or, in the alternative, that it enter an order directing the U.S. Marshall Service to take custody of Rodriguez in order to remove him from Plymouth County Correctional Facility ("PCCF"). As grounds therefore, Rodriguez states as follows:

1. On May 1, 2006 Rodriguez, who is being held at PCCF, requested medical attention for pain he was experiencing in his neck and collarbone and for trouble he was having swallowing. The medical personnel at PCCF provided only a cursory examination of Rodriguez.
2. The undersigned counsel on May 1, 2006 sent a written request to Patrick Lee, counsel to the Plymouth County Sheriff, for him to follow up with PCCF to ensure that Mr. Rodriguez was properly examined and treated. A copy of the May 1, 2006 Fax Cover Sheet and Confirmation are attached hereto as Exhibit A.
3. Mr. Lee did not respond to the fax by undersigned counsel.

4. On May 8, 2006, Mr. Rodriguez, through the undersigned counsel, informed the Court, the U.S. Attorney's Office and U.S. Probation, of Mr. Rodriguez's recent complaints of pain and failure of PCCF to examine him carefully. The letter also noted Mr. Lee's failure to respond to Mr. Rodriguez's request. A copy of the letter and Fax Confirmation Sheet are attached hereto as Exhibit B.
5. One week later, on May 16, 2006, Rodriguez reported to counsel that he had a seizure on Friday evening, May 12, 2006 and that PCCF took away his prednisone. He also reported that at 1:00 p.m. medical personnel administered 1200 mg of Tegretol despite his belief that the dosage was well in excess of his usual dosage. At 8:00 p.m. the same day, medical personnel administered an additional 400 mg of Tegretol to Mr. Rodriguez. At 11:00 p.m. that evening Mr. Rodriguez reported feeling dizzy. He then vomited a yellow substance. Nurses came to his aid and he then passed out. The next morning he awoke with red blotches, similar to a rash, on his neck, throat and stomach. He believes the blotches are an allergic reaction to the excessive amount of Tegretol he was given.
6. Mr. Rodriguez has not been informed by the medical personnel at PCCG of the cause of the red blotches, the vomiting or the loss of consciousness.
7. Given Mr. Rodriguez's medical condition and history of persistent seizures, it is unacceptable that neither Mr. Lee nor the medical department of PCCF has responded in an diligent manner and has provided appropriate care to him.
8. Further, we have just received Dr. Paul Gross's evaluation that Mr. Rodriguez suffers from epileptic seizures. Since inception of Mr. Rodriguez's confinement at PCCF, we have been gravely concerned that Mr. Rodriguez is in an

environment that is potentially fatal. Dr. Gross bears out our concerns and fears. He notes in his evaluation that the "seizures are potentially life-threatening" and that "[A]t this point, even in the best of hands, he [Rodriguez] only has about a 50% chance of achieving complete seizure control." See Letter of Dr. Paul Gross.

9. The inattention and inept treatment provided to Mr. Rodriguez since his confinement at PCCF should be rectified before it is too late. PCCF has vividly and graphically demonstrated that it is not capable of taking proper care of Mr. Rodriguez. Under the circumstances, he requests that he immediately be placed in a safer environment where he can be properly treated. In the alternative, Mr. Rodriguez requests that his sentencing date of June 21, 2006 be expedited.

**Re: U.S. v. Luis Rodriguez, Criminal No. 04-10047-RCL.**

All:

Enclosed please find four pages of medical records sent to me by Boston Medical Center today relating to Luis Rodriguez's treatment there on March 12, 1995 immediately following his gunshot wound. The records presumably are in response to my January 15, 2006 request for all his medical records.

In addition, on May 1, 2006 Luis Rodriguez told me that he was not examined carefully over the weekend by Plymouth CCF following his complaints of pain radiating from his face to his collarbone area and difficulty in swallowing. I made a written request of Patrick Lee, General Counsel to the Plymouth County Sheriff's Department on

May 1, 2006 asking him to follow up to make sure Mr. Rodriguez is being given proper treatment for his pain. To date, Mr. Lee has not contacted me to let me know whether he has in fact followed up my request.

Very truly yours,
